FOR IMMEDIATE RELEASE IN EVENTS CALANDARS

The Cotton Valley Rail Trail Club of Wolfeboro, NH would like to invite the public to our open house on Sunday, August 8th from 10am to 4pm at Fernald Station, 64 Governor Wentworth Highway in Wolfeboro. The event is designed to give the public an opportunity to meet with members to discover more about CVRTC, railroad preservation and the railroad motorcar hobby. Visitors will be able to tour the restored former Wolfeboro Railroad engine house, train station, and working railroad maintenance of way equipment. Free rides will be provided in member owned railroad motorcars on a 6 mile section of the former Wolfeboro Railroad. CVRTC, a non profit organization founded in 1992, currently maintains the 11 mile line, of which 6 miles is currently designated as a "rail with trail corridor" where railcar hobbyists, runners, bikers, and snowmobilers can equally enjoy access to the stunning scenery of the Lakes Region.

Donations welcome. Hot dogs and refreshments will be for sale. For more information please contact Ian MacMillan at ian_macmillan@roadrunner.com or visit www.cvrtec.net

Thank You,
Ian MacMillan
